

2021 New Mexico School Counselors' Community Conference

Maximizing Dual Credit Opportunities Through Advising

Jaime Cherry

9:00 a.m.

Thoughtful approaches to dual credit enrollment can maximize a student's introduction to a positive postsecondary experience. This presentation describes best practices for a Dual Credit Program that focuses on student advisement that supports students in carrying out the goals set forth in their Next Step plans.

About Jaime Cherry

Jaime Cherry

Jaime Cherry is the Dual Credit Program Coordinator for CCRB/NMPED. She also serves as a federal and state grant coach for the Southeastern part of the state and oversees STEM and IT programs of study.

Prior to her role at NMPED, she was a middle school science teacher for APS and RRPS for 12 years.
