YOUTH

Re-imagining our approach to high school

- Updated Graduation Requirements- Profile of a Graduate
- Capstones
- Work-based Learning
- Experiential, Project-based curriculum
- Community and Industry-informed

Summer Internship

To provide high school students with the opportunity to participate in high-quality internships.

Student interns shall work for 20 hours per week, for 6-10 weeks, in placements at government agencies, including county, tribal, and municipal sites along with their internship partners.

Educators Rising

Educators Rising cultivates highly skilled educators by guiding young people on a path to becoming accomplished teachers, beginning in high school and extending through college and into the profession.

Do you want to make a difference by becoming a teacher?

Educator Fellows

Full salary and benefits for each fellow.

Boot-camp style training for the fellows prior to their start in the classroom.

Coaching and support throughout the fellows' time in the program.

\$4,000 stipend to the LEA for each fellow to support their postsecondary education.

Funding for all licensure and background fees.
