# ***What is the NMVC<sup>2</sup>?***

New Mexico Virtual Course Consortium (NMVC<sup>2</sup>) is a growing state-led provider network of public districts and charters who serve as course providers to students across the state through a memorandum of understanding (MOU) with the student's district or charter of residence.

The NMVC<sup>2</sup> was created to support public districts and charter schools in locating available supplemental online courses for subject areas that may be difficult to staff locally.

***Consortium has made great strides in building parameters in which districts and charters can best provide and receive services in a cohesive and supportive way while retaining student enrollment.***

**New Mexico Virtual Course Consortium (NMVC<sup>2</sup>)** is a growing state-led **provider** network of public districts and charters who serve as supplemental course providers to students across the state through a memorandum of understanding (MOU) with the student's district or charter of **residence**.

### Providing LEA

A PED authorized district or charter that is able to provide a high quality, standards-aligned online courses, accessible to students, regardless of their location throughout the state.

NMVC2

The state network of Providing LEAs facilitated by PED. The course fees are:

**Middle/High**

The Consortium fee is \$375.00 per course, per semester

Elementary

The Consortium fee \$700.00 per course, per year (e.g. grade 5 ELA for entire year).

This Consortium determined fee is to cover costs such as administrative fees (e.g., help desk, registration, student data); teacher / instructor compensation; e-curriculum or locally curriculum development; tech support; etc.

## Residing LEA

A PED authorized district or charter that is seeking high quality, standards-aligned courses through the NMVC<sup>2</sup> to supplement local course offerings in hard to staff subject areas.

# Benefits of Accessing the NMVC<sup>2</sup>

# Courses the NMVC<sup>2</sup> Offers

Core Subjects  
Electives  
Accelerated Options

Dual Credit  
AP Courses  
CTE Courses

Foreign Languages  
Concert Band  
Choir

# How does a Residing LEA form a partnership with the Consortium Provider?

## Designated Residing LEA Staff

Anyone from the district can reach out to the appropriate Providing LEA contact, but to keep things running efficiently, we will ask that someone be designated as the point of contact.

## An MOU is executed

The Providing LEA and Residing LEA enter into an MOU. A sample template has been provided on the website.

## Student Onboarding

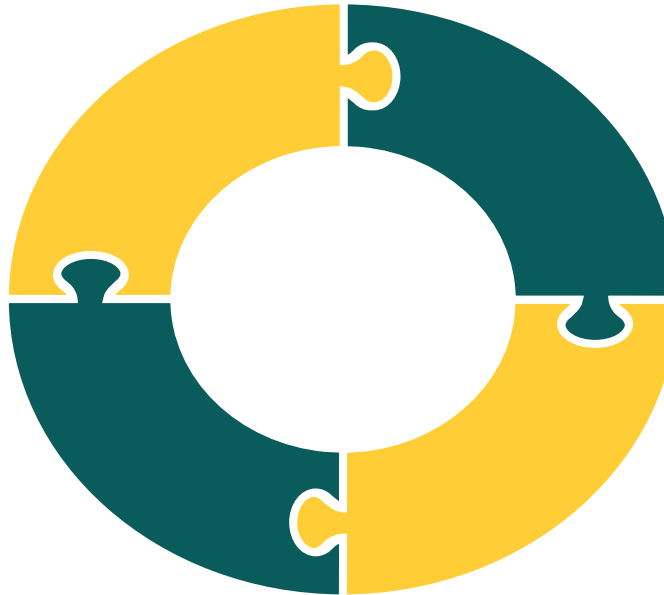

The Providing LEA and Residing LEA communicate to provide the best onboarding experience for the student and family.

# Required Exchange of Information

## Residing LEA Provides

- Basic enrollment Information
- Sharing of special accommodations or supports that a student might need at the time of enrollment (extended time, text to speech if available, etc.)
- Sharing of applicable MLSS supports
- The student device; ensures that the enrolled student has access to internet

## Providing LEA Provides

Final ***Course Completion Report*** to include:

- Grades (term)
- Quizzes, Course exams, Progress monitoring
- Attendance (in compliance with Attendance with Success Act.)
- Behavior reports (if needed)

The **Residing LEA** is responsible for entering all data in their SIS, and corresponding STARS reporting for all students they have enrolled in virtual course(s).

# Consortium Course Fees

## Fee Rational

This Consortium determined fee is to cover costs such as administrative fees (e.g., help desk, registration, student data); teacher / instructor compensation; e-curriculum or locally curriculum development; tech support; etc.

## Middle/High

The Consortium fee is \$375.00 per course, per semester.

## Elementary

The Consortium fee \$700.00 per course, per year (e.g. grade 5 ELA for entire year).
