

## UTILIZING PSAT AND AP POTENTIAL TO GUIDE COLLEGE AND CAREER READINESS

DR. MELISSA DELAURENTIS

1:00 P.M.

Explore how to utilize the SAT Suite of Assessment reporting tools to guide student recruitment and enrollment into Advanced Placement (AP). This interactive session will provide specific strategies to access PSAT/SAT scores and AP Potential to enhance your AP courses and programs of study. In addition, the session will focus on equitable practices to support student enrollment in rigorous coursework to support college and career readiness for all students.
